---	----------

SECTION I. COVERAGES

COVERAGES ACCIDENT & SICKNESS MEDICAL EXPENSE

Benefits will be paid for the Covered Expense incurred, up to the Maximum Benefit Amount shown in the Schedule of Benefits, as a result of a Covered Accidental Injury or covered Sickness, which first occurs during Your Trip. Only Covered Expenses incurred during Your Trip will be reimbursed. Expenses incurred after Your Trip are not covered.

Benefits will include up to \$500 expenses for emergency dental treatment due to Injury to natural teeth.

Benefits will not be paid in excess of the Usual and Customary Charges.

For the purpose of this benefit:

“Covered Expense” means expense incurred only for the following:

1. The medical services, prescription drugs, therapeutic services and supplies ordered or prescribed by a Legally Qualified Physician as Medically Necessary for treatment;
2. Hospital or ambulatory medical-surgical center services (including expenses for a cruise ship cabin or hotel room, not already included in the cost of the Your Trip, if recommended as a substitute for a hospital room for recovery from a Covered Accidental Injury or covered Sickness);
3. Transportation furnished by a professional ambulance company to and/or from a Hospital.

These benefits will not duplicate any benefits payable under the Certificate or any coverage(s) attached to the Certificate.

COVERAGES EMERGENCY MEDICAL EVACUATION, MEDICAL REPATRIATION AND RETURN OF REMAINS

When You suffer loss of life for any reason or incur a Sickness or Injury during the course of Your Trip, the following benefits are payable, up to the Maximum Benefit Amount shown in the Schedule of Benefits.

1. **Emergency Medical Evacuation:** If the local attending Legally Qualified Physician and the authorized travel assistance company determine that transportation to a Hospital or medical facility is Medically Necessary to treat an unforeseen Sickness or Injury which is acute or life threatening and adequate Medical Treatment is not available in the immediate area, the Transportation Expense incurred will be paid for the Usual and Customary Charges for transportation to the closest Hospital or medical facility capable of providing that treatment.
2. **Medical Repatriation:** If the local attending Legally Qualified Physician and the authorized travel assistance company determine that it is Medically Necessary for You to return to Your primary place of residence because of an unforeseen Sickness or Injury which is acute or life-threatening, the Transportation Expense incurred will be paid for Your return to Your primary place of residence, or to a Hospital or medical facility closest to Your primary place of residence capable of providing continued treatment via one of the following methods of transportation, as approved, in writing, by the authorized travel assistance company:
 - i) one-way Economy Transportation;
 - ii) commercial air upgrade (to Business or First Class), based on Your condition as recommended by the local attending Legally Qualified Physician and verified in writing and considered necessary by the authorized travel assistance company; or
 - iii) other covered land or air transportation including, but not limited to, commercial stretcher, medical escort, or the Usual and Customary Charges for air ambulance, provided such transportation has been pre-approved and arranged by the authorized travel assistance company. Transportation must be via the most direct and economical route.
3. **Return of Remains:** In the event of Your death during a Trip, the expense incurred will be paid for minimally necessary casket or air tray, preparation and transportation of Your remains to Your primary place of residence in the United States of America or to the place of burial.

Benefits are paid less the value of Your original unused return travel ticket.

If benefits are payable and You have other insurance that may provide benefits for this same loss, We reserve the right to recover from such other insurance. You shall:

- a) notify the Company of any other insurance;

- b) help the Company exercise the Company's rights in any reasonable way that the Company may request, including the filing and assignment of other insurance benefits;
- c) not do anything after the loss to prejudice the Company's rights; and
- d) reimburse to the Company, to the extent of any payment the Company has made, for benefits received from such other insurance.

These benefits will not duplicate any other benefits payable under the Certificate or any coverage(s) attached to the Certificate.

Eligibility for purchase will be determined at time of claim. If it is determined that a person or Trip is not eligible for coverage, any claim for benefits will be denied and premium will be refunded.

Termination of the Certificate will not affect a claim for loss that occurs after premium has been paid.

Extension of Coverage: All coverages under the Certificate will be extended if Your entire Trip is covered by the Certificate and Your return is delayed due to unavoidable circumstances beyond Your control. If coverage is extended for the above reasons, coverage will end on the earlier of the date You reach Your originally scheduled return destination or 7 days after the Scheduled Return Date.

SECTION V. GENERAL PROVISIONS

Notice of Claim: Notice of claim must be reported within 20 days after a loss occurs or as soon as is reasonably possible. You or someone on Your behalf may give the notice. The notice should be given to Us or Our designated representative and should include sufficient information to identify You.

Claim Forms: When notice of claim is received by Us or Our designated representative, forms for filing proof of loss will be furnished. If these forms are not sent within 15 days, the proof of loss requirements can be met by You sending Us a written statement of what happened. This statement must be received within the time given for filing proof of loss.

Proof of Loss: Proof of loss must be provided within 90 days after the date of the loss or as soon as is reasonably possible. Proof must, however, be furnished no later than 12 months from the time it is otherwise required, except in the absence of legal capacity.

Time of Payment of Claims: We, or Our designated representative, will pay the claim after receipt of acceptable proof of loss.

Payment of Claims: Benefits for loss of life will be paid to Your designated beneficiary. If a beneficiary is not otherwise designated by You, benefits for loss of life will be paid to the first of the following surviving preference beneficiaries:

- a) Your spouse;
- b) Your child or children jointly;
- c) Your parents jointly if both are living or the surviving parent if only one survives;
- d) Your brothers and sisters jointly; or
- e) Your estate.

All other Benefits will be paid directly to You, unless otherwise directed. Any accrued benefits unpaid at Your death will be paid to Your estate. If You have assigned Your benefits, We will honor the assignment if a signed copy has been filed with us. We are not responsible for the validity of any assignment.

All or a portion of all benefits provided by the Certificate may, at Our option, be paid directly to the provider of the service(s) to You. All benefits not paid to the provider will be paid to You.

If any benefit is payable to: (a) an Insured who is a minor or otherwise not able to give a valid release; or (b) the Insured's estate, We may pay up to \$1,000 to the Insured's beneficiary or any relative whom We find entitled to the payment. Any payment made in good faith shall fully discharge Us to any party to the extent of such payment.

Excess Insurance: The insurance provided by this Certificate shall be in excess of all other valid and collectible Insurance or indemnity. If at the time of the occurrence of any loss there is other valid and collectible insurance or indemnity in place, the Company shall be liable only for the excess of the amount of loss, over the amount of such other insurance or indemnity, and applicable deductible. Recovery of losses from other parties does not result in a refund of premium paid.

Physician Examination and Autopsy: The Company, at the expense of the Company, may have You examined when and as often as is reasonable while the claim is pending. The Company may have an autopsy done (at the expense of the Company) where it is not forbidden by law.

Legal Actions: All policy terms will be interpreted under the laws of the state in which the Policy was issued. No legal action may be brought to recover on the Policy within 60 days after written Proof of Loss has been furnished. No legal action for a claim may be brought against Us after 3 years from the time written Proof of Loss is required to be furnished.

Concealment and Misrepresentation: The entire coverage will be cancelled, if before, during or after a loss, any material fact or circumstance relating to this insurance has been materially misrepresented.

Other Insurance with the Company: You may be covered under only one travel Certificate with the Company for each Trip. If You are covered under more than one such Certificate, You may select the coverage that is to remain in effect. In the event of death, the selection will be made by the beneficiary or estate. Premiums paid (less claims paid) will be refunded for the duplicate coverage that does not remain in effect.

Subrogation: If the Company has made a payment for a loss under this coverage, and the person to or for whom payment was made has a right to recover damages from the Third Party responsible for the loss, the Company will be subrogated to that right. You shall help the Company exercise the Company's rights in any reasonable way that the Company may request: nor do anything after the loss to prejudice the Company's rights: and in the event You recover damages from the Third Party responsible for the loss, You will hold the proceeds of the recover for the Company in trust and reimburse the Company to the extent of the Company's previous payment for the loss.

Reductions in the Amount of Insurance: The applicable benefit amount will be reduced by the amount of benefits, if any, previously paid for any loss or damage under this coverage for Your Trip.

Conformity with Montana statutes: The provisions of this Certificate conform to the minimum requirements of Montana law and this Certificate controls over any conflicting statutes of any state in which the Insured resides on or after the effective date of this Certificate.

Montana Statement Regarding Usual and Customary Charges: A provider may charge more than the limits established by the defined terms and the additional charges may not be covered under the Certificate.

SECTION VI. COORDINATION OF BENEFITS

Applicability

The Coordination of Benefits ("COB") provision applies to This Plan when an Insured has health care coverage under more than one Plan. "Plan" and "This Plan" are defined below.

If this COB provision applies, the order of benefit determination rules should be looked at first. Those rules determine whether the benefits of This Plan are determined before or after those of another Plan. The benefits of This Plan:

- (a) will not be reduced when, under the order of benefit determination rules, This Plan determines its benefits before another Plan; but
- (b) may be reduced when, under the order of benefit determination rules, another Plan determines its benefits first. This reduction is described further in the section entitled Effect on the Benefits of This Plan.

Definitions

"Plan" is a form of coverage written on an expense incurred basis that provides benefits or services for, or because of, medical or dental care or treatment. "Plan" includes:

- (a) group insurance and group remittance subscriber contracts;
- (b) uninsured arrangements of group coverage;
- (c) group coverage through HMO's and other prepayment, group practice and individual practice Plans; and
- (d) blanket contracts, except blanket school accident coverages or a similar group when the Certificate:

"Plan" does not include individual or family: (a) insurance contracts; (b) direct payment subscriber contracts; (c) coverage through HMO's; or (d) coverage under other prepayment, group practice and individual practice Plans.

"This Plan" is the parts of this blanket contract that provide benefits for health care expenses on an expense incurred basis.

"Primary Plan" is one whose benefits for a person's health care coverage must be determined without taking the existence of any other Plan into consideration. A Plan is a Primary Plan if either:

- (a) the Plan either has no order of benefit determination rules, or it has rules which differ from those in the contract; or
- (b) all Plans that cover the person use the same order of benefits determination rules as in this contract, and under those rules the Plan determines its benefits first.

"Secondary Plan" is one that is not a Primary Plan. If a person is covered by more than one Secondary Plan, the order of benefit determination rules of this contract decide the order in which their benefits are determined in relation to each other. The benefits of each Secondary Plan may take into consideration the benefits of the Primary Plan or Plans and the benefits of any other Plan, which, under the rules of this contract, has its benefits, determined before those of that Secondary Plan.

"Allowable Expense" is the necessary, reasonable, and customary item of expense for health care; when the item of expense is covered at least in part under any of the Plans involved.

The difference between the cost of a private hospital room and a semi-private hospital room is not considered an Allowable Expense under the above definition unless the patient's stay in a private hospital room is medically necessary in terms of generally accepted medical practice.

When a Plan provides benefits in the form of services, the reasonable cash value of each service will be considered both an Allowable Expense and a benefit paid.

“Claim” is a request that benefits of a Plan be provided or paid. The benefits claimed may be in the form of: (a) services (including supplies); (b) payment for all or a portion of the expenses incurred; or (c) a combination of (a) and (b).

“Claim Determination Period” is the period of time, which must not be less than 12 consecutive months, over which Allowable Expenses are compared with total benefits payable in the absence of COB, to determine: (a) whether other insurance exists; and (b) how much each Plan will pay or provide.

For the purposes of this contract, Claim Determination Period is the period of time beginning with the Effective date of coverage and ending 12 consecutive months following the date of loss or longer as may be determined by the proof of loss provision.

Order of Benefit Determination Rules

When This Plan is a Primary Plan, its benefits are determined before those of any other Plan and without considering another Plan's benefits.

When This Plan is a Secondary Plan, its benefits are determined after those of any other Plan only when, under these rules, it is secondary to that other Plan.

When there is a basis for a Claim under This Plan and another Plan, This Plan is a Secondary Plan that has its benefits determined after those of the other Plan, unless:

- (a) the other Plan has rules coordinating its benefits with those of This Plan; and
- (b) both those rules and This Plan's rules, as described below, require that This Plan's benefits be determined before those of the other Plan.

Rules

This Plan determines its order of benefits using the first of the following rules which applies:

- (a) Nondependent/Dependent Rule. The benefits of the Plan which covers the person as an employee, member or subscriber (that is, other than as a dependent) are determined before those of the Plan that covers the person as a dependent.
- (b) Longer/Shorter Length of Coverage Rule. The benefits of the Plan that covered an employee, member or subscriber longer are determined before those of the Plan that covered that person for the shorter time.

To determine the length of time a person has been covered under a Plan, two Plans shall be treated as one if the claimant was eligible under the second within 24 hours after the first ended. Thus, the start of a new Plan does not include: (a) a change in the amount or scope of a Plan's benefits; (b) a change in the entity which pays, provides or administers the Plan's benefits; or (c) a change from one type of Plan to another. The claimant's length of time covered under a Plan is measured from the claimant's first date of coverage under that Plan. If that date is not readily available, the date the claimant first became a member of the group shall be used as the date from which to determine the length of time the claimant's coverage under the present Plan has been in force.

Effect on the Benefits of This Plan When it is Secondary

The benefits of This Plan will be reduced when it is a Secondary Plan so that the total benefits paid or provided by all Plans during a Claim Determination Period are not more than the total Allowable Expenses, not otherwise paid, which were incurred during the Claim Determination Period by the person for whom the Claim is made. As each Claim is submitted, This Plan determines its obligation to pay for Allowable Expenses based on all Claims that were submitted up to that point in time during the Claim Determination Period.

Right to Receive and Release Needed Information

Certain facts are needed to apply these COB rules. We have the right to decide which facts are needed. We may get needed facts from or give them to any other organization or person. We need not tell, or get the consent of, any person to do this. Each person claiming benefits under This Plan must give Us any facts We need to pay the Claim.

Facility of Payment

A payment made under another Plan may include an amount that should have been paid under This Plan. If it does, We may pay that amount to the organization that made that payment. That amount will then be treated as though it were a benefit paid under This Plan. We will not have to pay that amount again. The term “payment made” includes providing benefits in the form of services, in which case “payment made” means reasonable monetary value of the benefits provided in the form of services.

Right of Recovery

If the amount of the payments made by Us is more than We should have paid under this COB provision, We may recover the excess from one or more of: (a) the persons We have paid or for whom We have paid; (b) insurance companies; or (c) other organizations.

Non-complying Plans

This Plan may coordinate its benefits with a Plan that is excess or always secondary or which uses order of benefit determination rules which are inconsistent with those of This Plan (non-complying Plan) on the following basis:

- (a) If This Plan is the Primary Plan, This Plan will pay its benefits on a primary basis;
- (b) if This Plan is the Secondary Plan, This Plan will pay its benefits first, but the amount of the benefits payable will be determined as if This Plan were the Secondary Plan. In this situation, Our payment will be the limit of This Plan's liability; and
- (c) if the non-complying Plan does not provide the information needed by This Plan to determine its benefits within 30 days after it is requested to do so, We will assume that the benefits of the non-complying Plan are identical to This Plan and will pay benefits accordingly. However, We will adjust any payments made based on this assumption whenever information becomes available as to the actual benefits of the non-complying Plan.
