<b>BENEFITS AND LIMITATIONS</b>	<b>SECTION 3</b>

**SECTION I. PERIOD OF COVERAGE**

The "Effective Date" of Your Travel Protection Policy begins at 12:01 a.m. following the postmark of Your application or 12:01 a.m. following the date You apply by phone or fax and pay the required plan cost. The Trip Delay Benefit is in force while You are en route to and from Your Trip. All other Benefits begin on 12:01 a.m. on the later of Your Scheduled

Departure Date or the Effective Date of Your Travel Protection Policy, as described above. Benefits end for all Insureds when You cancel Your Trip, when You return home, or when You complete the term of Your Trip.

**SECTION 2. GENERAL PROVISIONS**

**Notice of Claim:** Notice of claim must be reported within 20 days after a loss occurs or as soon as is reasonably possible. You or someone on Your behalf may give the notice. The notice should be given to the Company or designated representative and should include sufficient information to identify the Insured.

**Claim Forms:** When notice of claim is received by the Company or designated representative, forms for filing proof of loss will be furnished. If these forms are not sent within 15 days, the proof of loss requirements can be met by sending a written statement of what happened. This statement must be received within the time given for filing proof of loss.

**Proof of Loss:** Proof of loss must be provided within 90 days after the date of the loss or as soon as is reasonably possible. Proof must, however, be furnished no later than 12 months from the time it is otherwise required, except in the absence of legal capacity.

**Time of Payment of Claims:** benefits for loss of life are payable to You. The first individual named on the application form is the beneficiary for all other insureds. All or a portion of all other benefits provided by this Policy may, at the option of the Company, be paid directly to the provider of the services(s). All benefits not paid to the provider will be paid to You. Other than for loss of life, if any benefit is payable to either another Insured or Your beneficiary who is a minor or otherwise not able to give a valid release or Your estate, the Company may pay up to \$1,000 to Your beneficiary or any relative to whom the Company finds entitled to the payment. Any payment made in good faith shall fully discharge the Company from obligations under this Policy to the extent of such payment.

**Payment of Claims:** All benefits are payable to You, if alive. Otherwise benefits are payable to Your estate.

**Physician Examination and Autopsy:** The Company, at the expense of the Company, may have an Insured examined when and as often as is reasonable while the claim is pending. The Company may have an autopsy done (at the expense of the Company) where it is not forbidden by law.

**Legal Actions:** No legal action for a claim can be brought against us until sixty (60) days after we receive proof of loss. No legal action for a claim can be brought against us more than three (3) years after the time required for giving proof of loss. This three (3) year time period is extended from the date proof of loss is filed and the date the claim is denied in whole or in part.

**Concealment and Misrepresentation:** The entire coverage will be void, if before, during or after a loss, any material fact or circumstance relating to this insurance has been intentionally concealed or misrepresented.

**Other Insurance with the Company:** An Insured may be covered under only one travel policy with the Company for each Trip. If an Insured is covered under more than one such policy, he or she may select the coverage that is to remain in effect. In the event of death, the selection will be made by the beneficiary or estate. Premiums paid (less claims paid) will be refunded for the duplicate coverage that does not remain in effect.

**Clerical Error:** Clerical error on the Company's part or that of a Travel Supplier in keeping records or furnishing information will not void an Insured's coverage if it is otherwise validly in force; nor will it continue an Insured's coverage if it is otherwise validly terminated under the terms of this Policy.

**Conformity with State Statutes:** The provisions of this Policy must conform with the laws of the state in which the Policy is issued. If any do not, they are hereby amended to conform.

**Subrogation:** If the Company has made a payment for a loss under this coverage, and the person to or for whom payment was made has a right to recover damages from the Third Party responsible for the loss, the Company will be subrogated to that right. An Insured shall help the Company exercise the Company's rights in any reasonable way that the Company may request: nor do anything after the loss to prejudice the Company's rights: and in the event an Insured recovers damages from the Third Party responsible for the loss, the Insured will hold the proceeds of the recover for the Company in trust and reimburse the Company to the extent of the Company's previous payment for the loss. You are entitled to complete reimbursement for loss covered under this Policy before the Company is entitled to subrogation proceeds.

When an Insured suffers loss of life for any reason or incurs a Sickness or Injury during the course of a Trip, the following benefits are payable, up to the Maximum Benefit Amount.

#### 1. For Emergency Medical Evacuation:

If the local attending Legally Qualified Physician and the authorized travel assistance company's medical director, if any, determine that transportation to a Hospital or medical facility is Medically Necessary to treat an unforeseen Sickness or Injury which is acute or life threatening and adequate Medical Treatment is not available at a local Hospital, benefits are payable for the Usual and Customary Charges for the Transportation Expense incurred for transportation to the closest Hospital or medical facility capable of providing adequate treatment.

If an Insured is in the Hospital for more than seven consecutive days, the Company will pay to return by Economy Transportation, the Insured's dependent children who are under 18 years of age and accompanying an Insured on the Trip, to their home, with an attendant, if considered necessary by the travel assistance company, if any.

#### 2. For Medical Repatriation:

  - i) one-way Economy Transportation; or
  - ii) commercial upgrade, based on an Insured's condition as recommended by the local attending Legally Qualified Physician and verified in writing.

Transportation must be via the most direct and economical route.

- b) If the local attending Legally Qualified Physician and the authorized travel assistance company, if any, determine that it is Medically Necessary for an Insured to return to his or her place of

Transportation must be by the most direct and economical route. Covered land or air transportation includes, but is not limited to, commercial stretcher, medical escort, or the Usual and Customary Charges for air ambulance, provided such transportation has been pre-approved and arranged by the authorized travel assistance company.

These benefits will not duplicate any benefits payable under the Policy or any coverage(s) attached to the Policy.
